this collection of over two hundred folk and fairy tales from all over the world is the only edition that encompasses all cultures arranged geographically by region west and east europe british isles scandinavia

and northern europe middle east asia the pacific africa north america the carribean and west indies and central and south america and lovingly selected from the personal favorites of folklorists and writers this book is a major anthology in its field gathered together in this wide ranging collection are familiar classics like snow white and sleeping beauty and stories that equal them from all major cultures together they offer magic adventure laughter reflection vivid images and a throng of colorful characters more important they offer insight into the oral traditions of different cultures and deal with universal human dilemmas that span differences of age culture and geography animal fables proverbs ghost stories funny tales and tales of enchantment provide a unique reading experience for all ages a category index groups the tales by plot and character e g humorous supernatural and pourquoi tales married couples enchanted sweethearts etc like all great literature these tales can be read with fascination on many levels making best loved folktales of the world a classic and enduring collection

india is a treasure trove of folktales born out of the customs and traditions of the country sometimes these tales are retold in its different regions while imparting the local flavour to them the mobility of the folktales can be attributed to the pilgrims and travellers journeying from one part of the country to another they rested at night in dharamsalas or inns often attached to temples where they mingled among themselves and with the local people more often than not folktales are passed on from grandmother to grandchildren so vividly that they are impressed in the listener s memory forever they are delightful and fascinating to the young as well as the old the same story even when heard repeatedly does not lose its interest as it appeals to the fantasies the make beliefs and the primitiveness in us these beautiful folktales of india were on the verge of extinction when a project of compilation of 21 volumes consisting of folktales of different regions was launched by sterling these folktales have been gleaned from the larger collection

from africa burma and czechoslovakia to turkey vietnam and wales here are more than 150 of the world s best loved folktales from more than forty countries and cultures these tales of wonder and transformation of heroes and heroines of love lost and won of ogres and trolls stories both jocular and cautionary and legends of pure enchantment will delight readers and storytellers of all ages with black and white drawings throughout part of the pantheon fairy tale and folklore library

explains how to write folktales discussing such literary elements as setting character point of view and plot

and contains examples from successful books and profiles of notable authors

this unique learning tool lets students read and listen to a popular folktale analyze the structure through story mapping and create a board game based on their analysis ever popular board games can be an ideal teaching tool in stories on board creating board games from favorite tales award winning storyteller dianne de las casas shows how it s done allowing students to create their own board games with a unique method that integrates learning and fun with stories on board students read and listen to popular folktales analyze the structure of the story through story mapping and then create a board game based on their analysis engaging their aural visual and tactile skills the lesson culminates in a game day in which the students play each other s games the technique is a great way to introduce a unit on folktales covering language arts and social studies

this monumental book first published in 1992 represents a major contribution to sephardic and hispanic studies as well as to comparative folklore scholarship in a worldwide perspective after many years of fieldwork and extensive archival investigations in spain israel and the united states the author has brought together and analysed a massive body of primary sources this is the first collection of sephardic narratives offered to the english speaking reader and constitutes an important addition to the understanding of sephardic cultural tradition
